Thanks for the update. In thinking further about this, the best point for an interaction might be after we have issued the Notice of Proposed Determination, which should clarify the focus of the restrictions.

Dennis,

I have been working with our Association and it is not clear yet as to how our members will air their concerns over the BBWA. Our draft letter has been stalled and it may suggest that individual Corporations may alternatively choose to submit their own correspondence. My recommendation to invite you to our next quarterly meeting was not met with immediate support. I'll keep you apprised of how the Association chooses to deal with its varied concerns.

Dennis,

I was hoping to chat with you for a minute or two in the morning on Tuesday. Several of my ANCSA CEO colleagues have raised concerns over the BBWA and I have a suggestion on how to respond.

I can be reached at **Ex. 6 PII** or am happy to contact you at your convenience. Jason
